

PRAYER

God of grace and mercy

We pray for those we support prayerfully and financially.

We pray for everyone touched by generosity and we bring to you our intentions for those who receive Centacare's services, that they may experience them as merciful and transformative.

Merciful God, we pray for Centacare staff who compassionately provide services and behind the scenes support in the name of Centacare and in the spirit of the Gospel.

Lord, in your mercy, hear our prayer.

Amen
